Indie Exclusive

Dog Food — Dry, Wet, Fresh/Frozen, Raw

Freeze-dried and raw diets, limited-ingredient formulas, and fresh/frozen meals are the fastest-growing segments in pet food. Indie retailers outperform mass on frozen raw and specialty diets — but MOQs and freezer logistics are the barrier. MOQBuy solves both.

#	Product	Type/Description	Avg Wholesale	Avg Retail	Est. Margin
1	Regional/indie-only kibble (e.g., Grandma Mae's Country Naturals)	Premium dry, indie-protected	\$20-35 (25-40lb bag)	\$45-75	45-55%
2	Ancestral/air-dried kibble	High-meat, NZ-style small bags	\$5-8 (2-3lb)	\$14-24	65-70%
3	Limited-ingredient/sensitive formulas	Grain-inclusive + GF	\$22-38 (25-40lb)	\$50-80	50-55%
4	Frozen raw patties/chubs	Multi-protein raw	\$10-18 (4lb)	\$24-36	50-60%
5	Freeze-dried raw complete diets	Shelf-stable raw, multi-protein	\$3-4 (8-12oz)	\$9-20	65-80%
6	Fresh/gently cooked meals	Refrigerated tubs, Farmer's Dog-style	\$4-7 (1-2lb)	\$10-18	55-60%
7	Raw bones & recreational chews	Beef marrow, knuckles	\$1-3 each	\$3-9	65-70%
8	Human-grade cans/stews	Visible chunks, premium wet	\$2-4	\$5-10	55-60%
9	Bone broth toppers	Shelf-stable or frozen	\$3-6	\$8-16	60-65%
10	Hydration & electrolyte toppers	Pet hydration trend 2025-26	\$5-11	\$16-28	55-65%

You can't get these prices alone. Together, you can.

Cat Food — Dry, Wet, Emerging

2025-2026 is being called 'the year of the cat.' Cat-first innovation is accelerating — wet food, functional treats, and high-meat diets are leading. DTC fresh for cats is lagging dogs but catching up fast.

#	Product	Type/Description	Avg Wholesale	Avg Retail	Est. Margin
11	Shredded filets/pouches	High-meat soups, TikTok-ready	\$0.70-1.20/pouch	\$1.79-3.49	55-65%

Why Group Purchasing

1. Level the Playing Field

Big chains get volume discounts because they order in bulk. MOQBuy lets you order in bulk too — by pooling demand with thousands of other indie stores. Same products. Same pricing. Your independence stays intact.

2. Access Products You Can't Get Alone

Trending DTC brands, premium frozen raw, limited-edition seasonal items — many suppliers have MOQs that a single store can't meet. Together, you can.

3. Protect Your Margins

76% of pet parents report higher costs. Your customers are feeling the squeeze — and so are your margins. Group purchasing improves your cost of goods without raising prices.

- \$47M+ in wholesale orders processed through MOQBuy
- 2.5% performance fee — only when value is delivered
- Zero setup fees. Zero subscriptions. Zero risk.
